

# Original, fresh, delicious Italian dishes

This is no ordinary Italian restaurant.  
Talk about original, fresh, delicious...  
it's no wonder because so much of what  
we do is **homemade.**

Our pasta...  
our gnocchis...  
our lasagna...

even our very own fresh baked bread.

## Our seafood

...it's fresh fish every single day  
for supreme Frutti di Mare...from our  
linguini and clam sauce to our wild  
salmon sauteed in Marsalla Wine...

**scrumptious!**

Not to mention steaks of certified

**Angus** beef only and pork and  
lamb chops charbroiled  
into the most amazing  
feats of carne possible.

Then there's the desserts...

**indulge yourself**

...in decadent cannolis, tirimisu, gelato, the  
perfect ending served with fresh, fragrant

**Italian coffees**

in cappuccinos...lattes...espressos...you  
may just sit and sip and never leave.

And of course before, during, and after  
there is always the **vino**

...and we mean extraordinary wines carefully  
chosen to complement masterpiece recipes...  
whites like Pinot Grigio...champagnes only  
from Epernay, France...reds like Meritage...  
from the world's most prestigious vineyards.

**Spirits** ascend at our

magnificently stocked bar...from by the  
glass wines to the world's premium whiskies,  
vodkas, gins, rums, liqueurs and ports.

There are also other surprises at  
Giovanni's Ristorante...

**not only dinners...  
conferences!**

Our Villa Room is a perfect forum for  
feeding, informing and inspiring your  
business associates...we'll host you  
for special luncheons and meetings  
when you want them.

**We also come  
to you...**

We'll bring the original, fresh, delicious  
creations of Giovanni's Ristorante  
to your home or business with our  
exclusive **catering** services  
we can customize to the exact nature of  
your event.
